MEMORANDUM FOR: Acting Chief, Central American Task Force

FROM: R. W. Manners

SUBJECT: FBIS Survey on [REDACTED]

25X1

1. I would like to thank you and the CATF for allowing FBIS to conduct its recent survey of radio broadcast signals on [REDACTED] and for the support given our two officers who conducted the survey. Our officers indicate that the [REDACTED] were very helpful in arranging transportation between the airport and the island and that [REDACTED] was exceptionally hospitable and cooperative throughout. 2. I have attached a copy of the survey report, which would be of interest to you and a copy of which was requested by [REDACTED]. As it indicates, radio broadcast reception does not favor an FBIS monitoring facility at that location. The data collected, however, has enabled us to firm up our projections of radio reception capabilities at other Caribbean sites. As part of our contingency planning for a backup facility for our Panama Bureau, we will be continuing to explore other options; and we certainly hope we can count on your continued support.
